

Additional Admission Requirement for International Students

Students with degrees that have not been earned at an accredited United States institution are required to provide a report by a professional evaluation service. The evaluation should name and describe all diplomas, certificates, degrees, periods of education or training and give U.S. equivalencies for each.

Mercer University accepts evaluations from the following three services:

- World Education Services [www.wes.org]
- Josef Silney & Associates, Inc. [www.jsilny.com/html/foreign.htm]
- American Association of Collegiate Registrars and Admissions Officers [www.aacrao.org/international/foreignEdCred.cfm]
